

24th European Conference on Microcirculation

*From Vascular Biology to Clinical
Microcirculation*

Amsterdam,

August 30 - September 2, 2006

The 24th European Conference on Microcirculation will be held at the Academic Medical Center in Amsterdam from Wednesday, August 30 to Saturday, September 2, 2006. We offer you state-of-the-art plenary lectures by world-renowned scientists, plenary symposia, and dedicated workshops.

Deadline for abstract submission
30 April 2006

Deadline for early registration
30 May 2006

Topics include angiogenesis, endothelial biology, blood cell-wall interaction, control of blood flow, permeability and oxidative stress in health and disease. The importance of microcirculatory research for clinical practice will be highlighted. There will be ample opportunity for presentation of free communications in the area of experimental and clinical microcirculation and vascular biology.
